(IGP)-Applicants for Departmental Recommendation】**  
**修士課程進学奨励給付奨学金募集要項\_2024 秋-2025 春**

**1. The purpose of the Scholarship**

The purpose of this scholarship is to provide financial support for outstanding Master students at SIT who advance to the graduate school of the university.

**2. Eligibility of Application**

As of April 1, 2024, this scholarship is open to students enrolled in their fourth year in the College of Engineering, College of Systems Engineering and Science, College of Engineering and Design or School of Architecture at Shibaura Institute of Technology who wish to advance to the university's Master's program through departmental recommendation. Applicants must be recognized as outstanding in both academic performance and personal qualities and must have applied for the scholarship in accordance with the application procedure.

**3. Duration and Disbursement Method of the Scholarship**

The scholarship period is generally for the duration of two years during enrollment in the Master's program. The method of disbursement involves deducting the half-yearly scholarship amount from the semester's tuition fee payment.

**4. The Number of Pre-Scholarship Recipients and the amount of Disbursement**

Applicants for this scholarship will be selected in the order of A, B, C, and D type based on their selection scores. Applicants cannot choose their scholarship type, and they will not be selected for multiple types simultaneously.

Types	Criteria	Total number of adoptions	Scholarship amount
A type	First place in academic department <sup>*1</sup>	17	Annually ¥600,000 (One semester ¥300,000)
B type	First place among female students in academic department <sup>*1*2</sup>	17	Annually ¥300,000 (One semester ¥150,000)
C type	Top performer in academic department	25	Annually ¥300,000 (One semester ¥150,000)
D type	Top 50% in academic department <sup>*3</sup>	Based on the number of students in the academic department	Annually 100,000 (One semester ¥50,000)

<sup>\*1</sup>Rank in Recommendation Selection

<sup>\*2</sup>If the first-place student of the department is a female, she will be selected as Type A. In that case the second-place female student within the department will be selected as Type B.

<sup>\*3</sup>Using the weighted GPA at the end of the third year for each department, referring to the ranking of all

enrolled fourth-year students in the first semester of that academic year by each departmental unit, it refers to the top 50%

### **5. Application Procedure**

---

(1) Application Method : Enter the required information on the designated form "Scholarship Application" in the online application system 「[The Admissions Office \(TAO\)](#)」 . Uploading documents is not necessary.

(2) Application Period : **April 16, 2024(Tue) 12:00PM~  
May 10, 2024(Fri) 4:00PM (Strict adherence)**

(period for accepting Department Recommendation Selection).

(3) Notes : Those who wish to apply for this scholarship must submit an application. If there are any deficiencies in the information provided, the applicant will be disqualified from the scholarship selection process. Even during the application period, once the application is completed, modifications or changes to the application details are not allowed. Therefore, please ensure that there are no omissions or errors in the application content before submitting the application.

### **6. Selection and Decision for Pre-Scholarship Recipients**

---

- (1) The selection for the Graduate School Master's Degree Scholarship is conducted by the Scholarship Selection Committee, and the final decision on acceptance is made by the President of the university. It should be noted that for academic performance, the weighted GPA at the end of the third year in each department or equivalent is used. Additionally, due to circumstances such as leaves of absence or repeating a year, there may be discrepancies between the ranking on the S\*gsot portfolio and the actual selection ranking for this scholarship. Inquiries related to the selection ranking cannot be addressed.
- (2) Regarding the accepted applicants, the announcement of successful candidates will be made on the university's website (ScombZ) at the time of the announcement of admissions decisions (July 11, 2024, Thursday).
- (3) The accepted candidates are referred to as "Pre-Scholarship Recipients." By enrolling in the graduate school Master's program at our university, r Pre-Scholarship Recipients become scholarship recipients.
- (4) During the period of disbursement of this scholarship, if it is recognized that the following conditions i and ii apply, the scholarship cannot be provided, leading to the cancellation of acceptance. Furthermore, if it is certain at the time of application that conditions i and ii apply upon admission to the Master's program, applicants should refrain from applying for this scholarship.
  - i Students who do not pay tuition fee by own such as MEXT or JICA
  - ii Students who are receiving other scholarships or financial aid that cannot be received concurrently.
